ANAHEIM

2017

ANNUAL REPORT

Bringing Positive Change to Those in Need

LETTER FROM THE PRESIDENT

Dear Friends and Community Partners:

What makes Assistance League unique from other national nonprofit organizations is not only the fact that it is entirely run by volunteers, but that each of the 120 chapters decide what is best for its own unique community. In Anaheim, we have been very busy this past year spreading the net of services we provide for our community. We also have redefined our community to include areas adjacent to the City of Anaheim.

In addition to an expansion of our Operation School Bell® (OSB) program, we have partnered with Target Stores to provide new clothing for middle and high school students. A Teacher Assistance Program (TAP) was launched. This program provides needed creative teaching tools for teachers to use in their classrooms. We have added a Homeless Assistance Program and Gifts of Hope to our outreach this past year as well.

We have relaunched our Assisteens® Auxiliary, for students in grades 7 through 12, and we could not be more thrilled that its membership is at capacity and its leadership top notch.

Thank you for helping us work towards achieving the goals of our strategic plan: to improve the services we provide for our community, and to develop leaders for tomorrow. Many hours of service, creativity and dedication from our member volunteers have made these expansions possible.

OUR COMMUNITY OUTREACH PROGRAMS

“Operation School Bell, thank you so much for clothing over 250 students from Magnolia School District this year! For a student to be able to come to school with the dignity of new clothing, new shoes and a new backpack is a gift like no other. It has truly made (an) impact for our students and their families. I am incredibly grateful for the time Assistance League members spent with each student and family during their shopping day. Many parents have expressed their gratitude for the respectful manner members provided the clothing. Keep up the amazing job of helping in our communities, classrooms and most of all, our students.”

— Cristina Keller,
Magnolia School District

WE PROVIDE EYEGLASSES

Assistance League of Anaheim provides **A NEW PAIR OF EYEGLASSES TO CHILDREN** and youth who have lost or broken theirs.

WE PROVIDE CLOTHING AND SHOES FOR LOCAL SCHOOL CHILDREN

OPERATION SCHOOL BELL is our national signature philanthropic program. At our Operation School Bell facility children can shop for new school uniforms with the help of Assistance League members. Our volunteers often fill clothing orders from counselors and personally deliver the new clothing and shoes to Anaheim schools. For many children in need, their cozy sweatshirt, jeans/uniform pants, shirts, socks underwear and shoes are the first brand new clothes they've ever owned.

IMPACT: Having new clothes helps children have more positive self-esteem and fit in with their peers. Children perform better in school with a heightened self-confidence.

86% of teachers observed a positive change in classroom behavior.

WE SUPPORT FAMILIES

Through various community outreach events and our **WEE WARDROBE** program Anaheim's most underserved families are supported. The Wee Wardrobe program places handmade crochet/knitted blankets and caps, layettes, bottles, diapers and teething toys in the hands of mothers of newborns at our local hospitals. Birthday baskets are delivered by Anaheim Hills Auxiliary volunteers to children living in homeless situations; food is provided to families who, at month end, cannot make ends meet.

WE SUPPORT HOMELESS

Every month members and community volunteers pack sack lunches for the homeless who are living at Bridges at Kraemer Place. These lunches

are provided to residents of this successful program which helps clients connect with existing resources and move them toward their housing goals. As an additional gesture of Assistance League's commitment to this community we provide hundreds of pairs of new clean socks (a real treat if you live on the street).
